## **Letter From Pastor Rachel**

The Presbytery of Western New York is shocked and saddened by the events that occurred at the tops friendly market on Jefferson on Saturday, May 14th in our city of good neighbors, Buffalo, New York.

We stand together with our faith community around Western New York in praying for the individuals who lost family and friends to this horrific event. We condemn hatred in all forms and, in this case, the hatred toward the black community through white supremacy.

Isaiah 1:17 says; “Learn to do good. Seek justice. Help the oppressed. Defend the cause of orphans. Fight for the rights of widows”

We are called to love our neighbors as ourselves and during this time we must stand united against racism.

May God fill us with comfort, strength and hope during this difficult time.

Standing united in love,

~Rev. Rachel Brown

Moderator of the Presbytery of Western NY

Pastor, Hamburg Presbyterian

Pastor Rachel is encouraging every member at Hamburg Presbyterian Church to support the black community during this trying time after the tragic shootings of 10 people at the tops friendly market on Jefferson Street in Buffalo New York.

Take Action:

1. You are invited to attend a church service at Karen Saxon’s church at **10 AM Sundays:**

**First Shiloh Baptist Church**

**15 Pine Street**

**Buffalo, NY 14204**

2. You are invited to attend a church service at Talitha & Michael Farrows church where their mother is the pastor.

**Grace Community Church Saturday nights 6:30 pm**

**with a fellowship dinner to follow**

**175 Potomac Ave Buffalo NY**

Let us take time to pray for the victims of the racially targeted shooting at Tops. Let us pray: Lord, we thank you for the unique, beautiful and amazing lives of our fellow Buffalonians Celestine, Heyward, Pearl, Roberta, Ruth, Aaron, Katherine, Andre, Geraldine & Margus. And those injured ; Zaire, Christian, and Jennifer. Lord, please comfort the family, friends and community whose hearts are broken with grief. We grieve the knowledge that they were killed because they were black. Lord, we know that you LOVE all no matter what their race and so we pray you transform hearts to show LOVE without prejudice. Help us heal, comfort and change for the good of all. In Jesus name, amen.

## **From the Presbytery of Western New York Anti-Racism Task Group**

### **5/18/22 Seeking to be an Anti-Racist: Living the Love of Jesus Living So What Now?**

As was explained last week, the Anti-Racism Task Group has recently received a copy of a report from the GA Special Committee on Racism, Truth and Reconciliation. This report is being circulated ahead of its consideration by the 2022 GA. It comes out of 4 years of study and interviews carried out by the Special Committee within the PCUSA. Our task group had been working out how to introduce the report to the Presbytery, and building projects rooted in its suggestions. We had a plan...

And then all hell broke loose, literally, last Saturday. So, what do we do now, how do we respond to what has happened, how do we move forward? It is clear that this was the work of a troubled young man, but this is far more than a mental health crisis. He accepted ideas, such as the White Supremacist Replacement Theory\*, that are found easily on the internet and supported in numerous mainstream venues. So, these ideas clearly need to be confronted and refuted, actively.

Silence is truly deadly. We may feel some comfort to see how the city is coming together, sharing in prayer. But we must make sure we do not ignore the realities of the suffering that is present and will not be quickly healed. Whites need to listen to the voices that are speaking about the ongoing and real suffering that has been, and still is, experienced. Prayer is important, but it is not a replacement for action. We commit to helping the victims, waiting to get past this. But as painful as it is to face, white people need to realize that after we have moved on, Black Americans will still live with the risk of white terrorist violence. White people need to refuse to simply move on, even though as White people we have that choice. So again, what is a response that will be authentic and last past the next few days and weeks?

For white people, it is important to understand what is happening all around us (that we too often miss) if we are to help dismantle the racism that produces such manifestos, such violence and hate, and so much more. This will take reading, discussion and a lot of listening. And then we need to act on our understanding.

With this in mind, at the next Presbytery meeting, Council and the Anti-Racism Task Group will present the Report of the Special Committee on Racism, Truth and Reconciliation and a program of response to its conclusions. We are seeking to offer concrete goals for the Presbytery and its churches that will enable us to develop and carry out an effective Anti-Racism ministry. For example, the Report speaks of how conversations are experienced differently according to race. They suggest that opportunities need to be created for careful listening to one another. So, opportunities will be created for such listening including presentations and study groups and more. White people too often do not act in helpful ways, no matter their good intentions, because they don't understand the reality of people who are unlike them. The Special Committee also points out that when education is the sole goal, anti-racism ministries get stalled. We are setting measurable goals for our work. We will be reaching out to help churches explore possible ministries of anti-racism. Education is essential, but it is not the end of the journey. Rather it is the guide for the journey of anti-racism.

In their report, the Special Committee challenges the church with the image of Isaiah 58, where the people of Israel put on a show of faithfulness but do not do the real work of faithfulness and justice. In the coming weeks, Council and the Anti-racism Task Group will offer a variety of ways for you to become involved in the work of Anti-Racism.

## May Review

### Confirmation Sunday (May 22)

5 teens were confirmed and officially joined the church on May, 22<sup>nd</sup>. As part of the final piece of Confirmation Class the teens took over the worship service and did a fantastic job playing music, being liturgists, and preaching the sermon. I am super proud of this group!

This was the culmination of all of their hard work and dedication to participating in Confirmation Class from January-May.

Please welcome Benjamin, Ben, Connor, Maddie, and Polly as full voting members of the Hamburg Presbyterian Church family.

June will be my last month as the Christian Education Director at Hamburg. I have been called to serve as a lead pastor. Bridgette and I want to thank everyone so much for welcoming us and supporting the Christian Education ministry over these past 3 years. We will miss you!

Blessings,

Matt

Hamburg Presbyterian Church ~  
I would like to thank whoever left the  
lovely bouquet of flowers on my front  
porch on April 28th. The card read  
"something special to make you  
smile" and signed Hamburg Presbyterian  
Church.

The past several weeks have been quite  
stressful due to my daughter, Michellene,  
having had a heart attack. Those flowers  
did make me smile - even before I opened  
the card. They made my day.

Yes! HPC is a very caring church. I have  
no idea who left those flowers, but I want  
you to know how much I appreciated  
them.

Thank you,  
Jean Coffey

Thank You

On Sunday, May 22nd, a week after the terrible shootings at Tops Friendly Market in Buffalo a group of congregation members, Kris M., Vicki Q., Dudley H., Joanne H., Dave B., Holly B., Gary L., Mary L., Mike W., Cheryl W. and Shelly R. in hope, love and solidarity joined members at the First Shiloh Baptist Church on Pine Street in Buffalo, to worship God together.

A message of thanks from Karen Saxon:

Good morning, Pastor Rachel and Pastor Staples! My heart is FULL this morning. Pastor Rachel, I am beyond grateful to you for reaching out to Pastor Staples; he is someone worth knowing! "Thank you" doesn't seem like enough to express my gratitude for the presence of so many from Hamburg Presbyterian Church. I've loved you guys for quite some time; yesterday elevated you all to family. Your presence in the moment was beyond powerful. Pastor Staples will speak on behalf of my beloved First Shiloh - I just HAD to speak for myself. Our musical sharing's have been uplifting so far. I look forward to sharing more in the future. Pastor Staples, THANK YOU for allowing me occasions to share with the Hamburg Presbyterian Church. I'm so glad that you got to look upon the faces of those whom you've shared me with - they are wonderful people! My love to you both!

~Karen , Minister of Music: First Shiloh Missionary Baptist Church

### **History**

Freedom finally came on June 19, 1865, when some 2,000 Union troops arrived in Galveston Bay, Texas. The army announced that the more than 250,000 enslaved black people in the state, were free by executive decree. This day came to be known as "Juneteenth," by the newly freed people in Texas.

### **Fun Facts About Juneteenth**

It is the oldest known holiday that commemorates the end of slavery in the US.

Juneteenth is the title of a book by author Ralph Ellison. Other books by Carolyn Meyer and Ann Rinaldi also center around the day.

Some cities and groups have Miss Juneteenth contests. Strawberry soda pop was once a popular drink associated with celebrating the day.

There is a Juneteenth Flag of Freedom. It is half red and half blue with a star in the middle. Each year a Juneteenth Flag raising ceremony is held in Galveston.

### **In Buffalo**

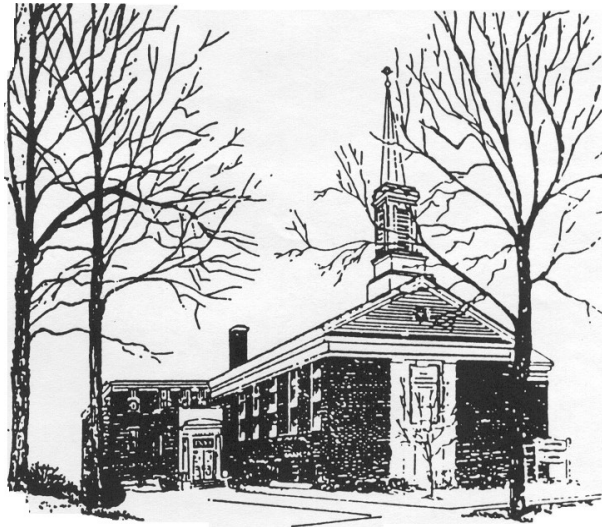

In 1976, the Juneteenth Festival of Buffalo was started by B.U.I.L.D. as an alternative celebration to the nation's Bicentennial celebration, according to Juneteenth of Buffalo Festival. These celebrations started on Jefferson Avenue, where many Black businesses were at the time.

### **History**

World Refugee Day is an international day designated by the United Nations to honour refugees around the globe. It falls each year on June 20 and celebrates the strength and courage of people who have been forced to flee their home country to escape conflict or persecution. World Refugee Day is an occasion to build empathy and understanding for their plight and to recognize their resilience in rebuilding their lives.

World Refugee Day shines a light on the rights, needs and dreams of refugees, helping to mobilize political will and resources so refugees can not only survive but also thrive. While it is important to protect and improve the lives of refugees every single day, international days like World Refugee Day help to focus global attention on the plight of those fleeing conflict or persecution. World Refugee Day falls each year on June 20 and is dedicated to refugees around the globe. World Refugee Day was held globally for the first time on June 20, 2001, commemorating the 50th anniversary of the 1951 Convention relating to the Status of Refugees. It was originally known as Africa Refugee Day, before the United Nations General Assembly officially designated it as an international day in December 2000.
