Summertime Reading at the Center for Christian Growth

Summer is a time to check up on reading; both for pleasure and for planning future events. Come visit the Center for Christian Growth, located at First Presbyterian in Tonawanda. We're open Monday through Thursday, from 10AM to 1PM. If you have any questions, call us at 716 389-2023.

Under the section of pleasure, look at our collection of Flyaway books. These children's books can be used for Children's Time, and should be in the hands of the families in your church. Below are only some of the Flyaway books on our shelves. Come and browse the rest of our collection

I Love You, Blue explores the friendship of a lighthouse keeper with a whale named Blue. Readers are introduced to the impact of plastic waste on the ocean and oceans life. Simple text and charming watercolor illustrations gently depict the damage humans can do to the environment.

Apple and Magnolia this is an endearing story of the unusual friendship between a Magnolia and an Apple tree.

A Very Big Problem by Amy-Jill Levine and Sandy Eisenberg Sasso. In this retelling of creation, children are encouraged to imagine, question and reflect on the world around them.

Who Is My Neighbor? In picture book retells the story of the Good Samaritan in a world of yellows and blues.

Under the heading of reading books for possible adult discussion, here are two possibilities.

Common Ground: Talking About Gun Violence in America by Donald V. Gaffney. Written by a Presbyterian pastor and Sandy Hook Alumnus, this slim volume could be a part of a church's discussion of gun violence with chapters on America's Culture of Guns, Violence and the Bible and Talking About Guns as Christians. There's a chapter on how to use this book and discussion questions at the end of each chapter.

Trouble I've Seen: Changing the Way the Church Views Racism by Drew G.I. Hart, a theologian, a *Christian Century* blogger and activist. His book, **Trouble I've Seen** can read as a companion book to **White Too Long**. Hart offers concrete practices for churches that seek solidarity with the oppressed and are committed to racial justice. It's an uncomfortable read for churches who are too comfortable.

**The 2022-2023 Horizon's Bible Study is
"Celebrating SABBATH"- Accepting God's Gift of
Rest and Delight by Carol M. Bechtel**

Key ideas: As Lord of the Sabbath, Jesus invites all of us who are weary to celebrate a Sabbath that is more about "yes" than "no." Sabbath celebration is something that God has built into the structure of creation. Receiving that gift is part of what deepens our friendship with God, others and the rest of creation and it also involves a commitment to hospitality. Sabbath is first about honoring God. Community is key for sustaining us in our Sabbath journey.

**We would like extend a warm welcome to every woman to join our
monthly Circle meetings for Bible Study and
Fellowship.**
